The Garden Room-Pre K

Reading- This week we reviewed our sight words, "here" and "are". We worked on tracing and writing letters this week too!

Language Arts- We continued journal writing this week! After our story each day, our teachers asked us a question about the story and we answered the question in our journal by drawing a picture and sharing our thoughts!

Math- This week we worked on recognition of different dollar bills. We matched bills front to back, learned which are more, made a collage using pictures of money, and counted coins too!

Social Studies- This week we talked about using our imagination! We tied a review of shapes to our lessons by using different shapes to create amazing works of art each day!

Science- For our Earth Science unit this week, we learned about flowers. We painted a picture of a flowers, made flowers using different sizes and colors of construction paper, made "rainbow flowers" and finger painted flowers too!

Spanish- We are learning family words in Spanish this month!

Love, Ms. Figliozzi-Webb (Stacy) & Ms. Baker (Kelly)

The Angel Room-Preschool

Reading- We reviewed the sight words, "here" and "are". We practiced these words using flashcards and playing a different game each day during Circle Time!

Language Arts- We reviewed letters this week through tracing, writing and identifying things that begin and end with our letters.

Math- We worked on recognition of dollars this week! We had fun holding our classroom money and identifying each dollar bill.

Science- For our Earth Science Unit, this week we learned about flowers. We identified different flowers that we have seen and explored outside to find ones that we haven't seen before too!

Social Studies- We learned all about using our imaginations this week! We had fun using our imaginations by telling stories to our friends, creating unique artwork and using play-doh too!

Spanish- We are learning family words in Spanish this month!

Love, Ms. Hicks (Denise) & Ms. Greenfield (Nicole)

The Ark Room-Preschool Prep

Reading/Language Arts- This week we reviewed the letters, Rr, Ss, Tt, Uu. We listed things that begin with our letters. We also colored a rhino for Rr, made paper plate snakes for Ss, colored a truck for Tt, and colored a Uu too!

Math- This week we reviewed shapes! We painted a star, colored an oval, made flowers using triangles, and made a stop sign for the octagon shape!

Science- We continued our Earth Science Unit by studying flowers this week! We painted a flower, learned how a flower grows, made hand print flowers, made flowers using tissue paper and planted our own flowers too!

Social Studies- We talked about using our imagination this week! We painted an alien, colored a unicorn, made creations while coloring, using play-doh and through dress-up too!

Spanish- We are learning family words in Spanish this month! We sent home a family tree for our families to add pictures to. Please be sure to send them back to school and we will label our family members in Spanish and share them with our friends! Our class would like to have all our trees turned in by Monday, May 17th. Thank you!

Art Class

We discussed what we were learning in Social Studies and Science this week! We used our *imagination*s and created beautiful *flowers* using chalk! Our pictures are beautiful!

Love, Ms. Figliozzi-Webb

Christian Music Class

We sang, "Jesus Loves Me", "Our God is an Awesome God", and "Father, I Adore You".

Love, Mr. Kyle

Chapel

We talked about how an apple has skin that protects it. The skin keeps the apple strong and in the center of an apple are seeds. God protects us inside just like an apple by making us strong and filling us up with His love.

Love, Mr. Kyle

Science Lab

This week in Science Lab we learned more about Earth Science by exploring volcanoes! We had fun learning about them and seeing one in action too!

Love, Ms. Nicole

American Sign Language Class

We focused on our Earth Science topic this week of flowers. We learned a song in sign language called, "Tree Song"!

Love, Ms. Brittany

Music Class

We learned two songs that tied together with our Earth Science study of flowers this week! We can sing, "I'm a Little Daisy" and "Three Little Tulips". We emailed you the lyrics to these songs too!

Love, Ms. Jeannie

Spanish Class

This week in Spanish Class we began learning family words. We had fun talking about our families and learning how to refer to our family members using Spanish! We also reviewed colors!

Love, Ms. Hicks

Physical Education

We talked about what we learned about flowers this week and had fun running up and down our hill on the playground! We also found different flowers that grow around our playground too!

Love, Ms. Baker

Family Tree Project

We are learning family words in Spanish!

Please take home the family tree posters today and glue pictures of your family onto the tree. Under each picture, please write "mom", "dad", "brother", "grandma", etc.

Bring the tree back to school and we will write the words in Spanish, hang them up in our classrooms and share them with our friends!

***PLEASE RETURN TREES TO SCHOOL BY THURSDAY & FRIDAY NEXT WEEK- MAY 20th & 21st!! THANK YOU!!**
