

CROSSROADS COURIER Week in Review

CrossRoads
Child Development Center

819 West Central Avenue
PO Box 370
Davidsonville, MD 21035
410.798.5790

July 12-16, 2010

The Garden Room-Pre K

Reading- We continued journal writing this week! After our story each day, our teachers asked us a question about the story and we answered the question in our journal by drawing a picture and sharing our thoughts!

Language Arts- This week we reviewed the letters Mm, Nn, and Oo. We traced the letters and practiced writing them on our own. We also listed words that had these letters in them. We had fun making beautiful artwork for each letter too!

Math- This week we reviewed the numbers 21-25 through sorting, counting, and adding activities.

Science- We learned about solids, liquids, and gas this week! We had fun with different experiments throughout the week!

Social Studies- We learned about community helpers this week! We talked about different jobs, had projects for different jobs, and wrote about what we want to be when we grow up!

Spanish- We reviewed "azul"- blue and "el triangulo"- triangle! We also counted to 25!

Love, Ms. Stacy & Ms. Debbie

The Angel Room-Preschool

Reading- We read a different job themed book each day and wrote in our "journals" after listening to our stories! After our teachers read us a story, we discussed what our favorite parts were and drew a picture to go along with our responses.

Language Arts- We learned and recognized the letters Mm, Nn, and Oo this week! We listed words each day that begin with these letters and made artwork for each letter too!

Math- We reviewed recognition of the numbers 21-25 and had fun with counting activities for each number too!

Science- We learned about solids, liquids, and gases this week! We experimented with these properties throughout the week and made observations too!

Social Studies- We learned about community helpers this week! We made different art pieces for the jobs we learned about each day!

Spanish- We learned "azul" is blue and "el triangulo" is triangle in Spanish. We counted 21-25 in Spanish too!

Love, Ms. Jeannie & Ms. Keyara

The Tablet Room- Pre K Prep

Reading- We read a different book each day that tied with our career theme this week! We discussed each story after reading it and practiced recalling information too!

Language Arts- We learned the letters Mm, Nn, and Oo this week! We listed words each day that begin with these letters, and practiced writing these letters too. We had fun making letter art for our letters!

Math- We worked on the numbers 21-25 this week! We practiced identifying and writing these numbers. We also played number identifying games too!

Science- We learned about solids, liquids, and gas this week! We learned about these properties through different experiments!

Social Studies- We learned about our community helpers this week! We learned all about different people who help us and what they do for their jobs!

Spanish- We learned "azul" is blue and "el triangulo" is triangle in Spanish. We counted to 25 too!

Love, Ms. Denise & Ms. Courtney

The Ark Room-Preschool Prep

Reading- Each day this week we read a book about community helpers! We talked about our favorite jobs too!

Language Arts- This week we worked on learning and recognizing the letters Mm, Nn, and Oo. We listed words that began with each letter and made artwork for each letter too!

Math- This week we counted to 25 through different counting activities each day.

Science- We learned about solids, liquids, and gases this week! We had fun with water, ice, and food coloring for our experiments!

Social Studies- We learned about community helpers and made different art each day for the jobs we learned about!

Spanish- We learned "azul" is blue and "el triangulo" is triangle in Spanish. We counted to 25 too!

Love, Ms. Brittany & Ms. Joannie
(Ms. Denise is in our class while Ms. Brittany is on vacation!)

School Age- Summer Adventure

We had an exciting week talking about what we want to be when we grow up, enjoying our parent Career Day visits, and making music instruments with Chesapeake Children's Museum! We also baked cookies, made fish artwork, foil frames, marble art and more!

Love, Ms. Nicole & Mr. Andrew

Special Announcements

Chesapeake Children's Museum

"Making Music" Program

For "What I Want to Be" Week Chesapeake Children's Museum came to visit us! We had fun making different instruments and marching in parades with our instruments too!

Thank You To Our Career Day Parents!

Thank you to Emilee Terry's daddy for coming to our school and showing us everything he uses as a firefighter and talking to us about his job!

Thank you to Logan Clay's mommy for coming to our school and showing us everything she uses as a surgical nurse and talking to us about her job!

Thank you to Tyler Booth's mommy for coming to our school and showing us everything she uses in the military and talking to us about her job!

Reptile Wonders- Nature Center on the Go

On Friday, July 23rd at 1:30pm, Reptile Wonders will be visiting CrossRoads for our "Bugs, Bees, and Butterflies" week!

They will have an assortment of creatures to show and share with us!

We welcome all our families and T/TH children to join us too!

Welcome, Ms. Joannie!

Please join us in welcoming our new teacher, Ms. Joannie!

Ms. Joannie will be teaching in our Preschool Prep/2's Class with Ms. Brittany!

She has taught and worked with children for over 27 years. She has her 90 hour Early Childhood Education and has a lot of experience from working at other schools, as a nanny, and owning her own home daycare. She also has 4 teenage daughters too!

Ms. Joannie was referred to us by one of our CrossRoads families and is excited to join our CrossRoads family!

Quiet Waters Park Field Trip

Our School Age class will be taking a field trip to Quiet Waters Park on Wednesday, July 21st for our "Bugs, Bees, and Butterflies" week!

We will leave CrossRoads by 9:30am and will return at approximately 1:00pm.

The children will walk on the trails, view the water, and enjoy a picnic lunch outside and play on their amazing playground after!

There is no cost for this field trip- please just be sure to pack a bag lunch!

Please fill out a **Field Trip Permission Form** letting us know if your SCHOOL AGE child will be attending.

We need volunteers! If you are attending our trip and available to drive/chaperone we would appreciate it!

If your child is in our Preschool Program and would like to attend, please remember that a parent or guardian must attend the trip as well. We appreciate any Preschool Parents who would like to help drive our School Age children too!

PLEASE REMEMBER THAT IF YOUR CHILD IS RIDING WITH ANOTHER ADULT AND USES A CARSEAT OR BOOSTER SEAT, IT MUST BE LEFT HERE AT SCHOOL IN THE MORNING FOR THE VOLUNTEER DRIVER!!

Opportunities
